General Orders

No. 22.

TOO MANY MEMBERS OF THIS BRIGADE HAVE been long absent on various pretexts. Conscripts of 45yrs and others must be urged to have these parties arrested. No indulgence should be shown shirkers and cowards whilst true and brave men are always at their posts. Officers absent without leave for 30 days must be promptly reported, to be dropped from the rolls. Enlisted men so absent must be advertised and treated as deserters. Those on sick leaves and furloughs must send forward in due time, the certificates of proper Boards—failing to do so, they must be reported as absent without leave. Those permanently disabled must apply for discharge, retirement or detail on light duty; and every facility must be extended them to get their papers through, and to secure them (when qualified) suitable places. No pardon can be promised deserters. But it is believed that many have been misled by the unfortunate teachings of others. In such cases (no special aggravation appearing) they may be saved by a prompt return to duty. If arrested, they cannot but expect the death penalty so recently inflicted on five of their comrades in this Brigade.

By Command of Brig. Gen. R. RANSINGER.

Acting Adj't Gen'l.

Wheat Threshing.

Raleigh, Aug. 14.—The county council a division county and parishes under bailiffs to the tenth day from each night. This is supposed to be truly a contraction which thereat hinges; it says to himself, to be straightforward idea. Many commanding have been here for the last three days. It proceeds from Governor's proposition since hostilities and the enemy's boats.

The enemy is attempting to run a canal across Dutch or Turkey Bends, 20 miles below Richmond; others tried to move cotton afloat. Our batteries opened on enemy's working parties and their gunboats responded. The object of the enemy in cutting the canal is to prevent of our batteries upon Chaffin's Bluff, on the side of the river.

Rain abundant and plenty. Spring is going on, and trees are unexpectedly gotten.

[SPECIAL DISPATCH.]

Richmond, Aug. 15.—Almost six o'clock this evening heavy firing opening up all along the lines which participated in by both sides. It was nothing unusual, however, then, the discharge of guns and small arms by parties after the rain which poured over the city.

From Greenville.

Greenville, Aug. 15.—A raid here yesterday evening was attempted to detail in our pickets on the river. After sharp skirmishing he was repulsed.

Heavy firing was heard along the line throughout night and to-day. The fire shells thrown into the town had a sentimental quotation pasted on them from some. A body of the enemy's cavalry dashed into Tarboro to-day, moving to the direction of Cobb's Mill. Small force of infantry is also reported at Dunstan.—Nothing difficult manœuvring on our right.—Everything looks brighter and more hopeful than any time since the siege began.

Yankees.—Scout Confederate agents are raising citizens and using their influence to prevent our citizens from rushing to the defence of the State.—They have fallen upon evil times. Most of our political men have been carried on to other States by their leaders, and when our own State is in real danger, arguments are denied us, and our Governor is straining every nerve to defend the soil of Georgia, he is impeding and hindered at every step by the glorious work by Confederate agents. The name of these agents of the Confederacy is legion. They overspread the whole land like locusts. They crowd the cars, at the hotels, at every corner of the street, in town and country.

Let none of these agents think it is their duty to stay and everything rather than defend the soil of Georgia from invasion. How often have we heard one of these declare most solemnly that no Yankee should ever invade the sacred soil of Georgia with impunity, and even when the day of trial has come they make all manner of excuses to keep from coming up to help the Governor against the invaders. It is the duty of defending the State from invasion is one of the highest and most sacred duties of every citizen. If then the fact of holding an office or agency under the Confederate government absolves a man from the duty of defending the State from invasion, it also absolves him from all rights and privileges of a citizen of Georgia, for the rights and duties of a citizen are co-existent and co-incident; they stand or fall together. If holding an office or agency under the Confederate government absolves from all the rights and duties of a citizen of Georgia, what honorable or patriotic Georgian would hold such an office?—*Milledgeville Union.*

DIED,

In this City, on Monday morning, August 15, 1864, LILLIE GORMAN, second daughter of John and Virginia E. Nichols, aged five years, six months and eleven days.

Just planted at earth and passed away,
To bloom more bright in Heaven."

The funeral will take place from the Baptist Church this (Tuesday) morning at 9 o'clock.
